

WEEK OF: SEPTEMBER 28, 2020

CLASS: Integrated Math 1

TEACHER: Landwehr

CONTACT INFO:

Katie.landwehr@thedeltahighschool.com

OBJECTIVES:

Model Linear Equations/Functions Algebraically, Numerically, and Graphically.

CLASSROOM MEETING TIMES:

A Block: Monday & Thursday 1:20-2:00

B Block: Monday & Tuesday 2:05-2:45

C Block: Tuesday & Friday 1:20-2:00

ZOOM LINKS:

Found on Teams:

Click on File tab, open “Class Materials” folder, open “Zoom Link” word document.

YOUR ASYNCHRONOUS RESPONSIBILITIES BEFORE ZOOM LESSON #1:

Watch Slope of Linear Equations PowerPoint with sound and animations. The PowerPoint can be found linked on the class Teams general channel or in the Team Files. Complete the activity before the first zoom call.

YOUR ASYNCHRONOUS RESPONSIBILITIES AFTER ZOOM #1:

Complete the assigned homework and submit on Teams. Remember to type all work and solutions using equation editor.

YOUR ASYNCHRONOUS RESPONSIBILITIES BEFORE ZOOM LESSON #2:

Complete Review for Linear Equation test.

YOUR ASYNCHRONOUS RESPONSIBILITIES AFTER ZOOM #2:

Complete Test on Linear Equations.

IDEAS FOR USING YOUR ASYNCHRONOUS TIME:

Please use this time to review the Asynchronous learning PowerPoints and to complete all practice problems and homework. Remember that PowerPoints have sound and animation added to them and they should be viewed in presentation mode to play properly.

DUE DATES:

Homework is due by Friday at 11:59 pm.

TEST DATES:

Test due on 10/4.

OFFICE HOURS:

11:45-12:45 Monday-Friday
