

Announcements for 01/05/23

Good Morning Deltonians!

And Now Please rise for the Pledge of Allegiance:

"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands: one Nation under God, indivisible, with Liberty and Justice for all".

Announcements:

On January 5th in 2005 – The dwarf planet Eris is discovered by Palomar Observatory-based astronomers, later motivating the International Astronomical Union to define the term dwarf planet for the first time.

The staff at Delta High School has decided that students should be allowed to wear a Beanie on their head while it is cold outside. This means students can wear a beanie in the building during Trimester 2. This only allows students to wear beanies, not hats in general. We will continue to enforce the dress code but will allow for beanies. Please be mindful of the dress code and the commitment you made to Delta when you decided to attend our amazing school.

Juniors remember to put our Internship Information Night on your calendar. It will be Tuesday February 7th at 6 pm! Mrs. Troxel sent an email with all of the information!

WE Club - There will be a meeting today during lunch in room 215. We will be writing thank you notes to the many people who helped make Winter Wishes a success through their donations. See you there!

Congratulations to our CyberPatriots teams! All 4 teams finished competition season placing in Gold Division with one of our teams finishing 3rd place in Washington state. We look forward to next years' competition!

And Now for our Character Dare:

STUDENT

Compliments **Galore**

Give genuine compliments to 5 people you notice throughout the day.

This should be a mixture of friends and strangers. Look for people picking up trash or holding the door open and thank them for their thoughtfulness. Look for some unique style or clothing. Observe how your lunch server or bus driver interacts with you.

Celebrations

And now for our Pit Boss of the week: This teacher is known to be kind and understanding to his students. Some say he even cares about his students a lot. He teaches and tells funny stories often. He even takes his students on walks when they are feeling hyper and energetic. Who is this amazing teacher? It is Mr. Keaney. Congratulations Mr. Keaney, we are so happy you are loving working with the CLASS of 2026.

Remember Deltonians to submit your nominations for our Pit Boss of the Week Award! Need to nominate a teacher or staff member? The forms are in the office in front of Mrs. Rojas or next to the 3 Bs box in your classroom.
