OBJECTIVES:

Current Unit – Designing to Improve your Space (Orthographic Drawing)

CLASSROOM MEETING TIMES:

See schedule

ZOOM LINKS:

Teams Meeting

YOUR ASYNCHRONOUS RESPONSIBILITIES BEFORE ZOOM LESSON #1:

A & D Blocks

Attempting first Orthographic drawing. Watch the videos in Class Notebook. Pick an object and attempt to draw it with 3 views.

C & E Blocks

Fill out the Orthographic packet worksheets. If you can print them, it will make it a little easier. If not, just draw the missing views on a piece of graph paper.

YOUR ASYNCHRONOUS RESPONSIBILITIES AFTER ZOOM #1:

A & D Blocks

Fill out the Orthographic packet worksheets. If you can print them, it will make it a little easier. If not, just draw the missing views on a piece of graph paper

C & E

Create a FlipGrid video describing the object that you want to design for you project.
Draw the Front View of your object on Graph paper.

YOUR RESPONSIBILITIES AFTER ZOOM #2:

A & D

Create a FlipGrid video describing the object that you want to design for you project.
Draw the Front View of your object on Graph paper.

C & E

Make corrections, if needed, to the Front view of your drawing and draw the Top and Side Views.

IDEAS FOR USING YOUR ASYNCHRONOUS TIME:

Rough times needed for each activity

Ortho Packet – 1 hour

Flip Grid – 10 minutes

Front View – 15-60 minutes

Top and Side Views – 60 minutes

DUE DATES:

Next class period

OFFICE HOURS:

Done in Teams

M-Fri 11:45-12:45
