Accountabilibuddies

Set a personal goal and tell 5 people about it to keep yourself accountable.

The more people who know about your goals, the more likely you are to be reminded of them. Intentionally ask people that will challenge you to accomplish this goal. If you ask 5 people to hold you accountable to run a marathon in 6 months, odds are good that at least one of them will bug you about it. In order to maximize our dreams, we need people nudging us along the way.

Hey Samantha- what did the science book say to the Math book???

I don't know Damien what?

You've got problems..... Ha Ha Ha Ha

Be sure to watch the Senate video immediately following these announcements!

Have a great day Deltaonians and remember to *Think Differently*.
