Mad
Respect, Yo

Think about the person or people that you most look up to and make a list of characteristics that this person (or these people) have.

Why do you respect them? What can you learn from them? As you make your list, write down what you think their definition of Respect is and how it's different from your own.

Hey Samantha- **Why did a scarecrow win a Nobel prize?**

Oh Damien **I don't know why?**

Because he was outstanding in his field! Ha Ha Ha Ha
