You may reserve a time on her calendar by using the scheduling link found on Delta's website (under Student Support) or on your grade-level Teams page. Remember, if things ever just seem out of control and you need some support, we want you to come straight to the office for urgent needs.

10th graders: You will have career guest speakers in advisory tomorrow. It would be a great day to dress up and show them what professionalism at Delta is all about!

Student Ambassadors meet on Thursday mornings at 8:05 in Room 215! Are you interested in giving tours of our school or helping recruit future Deltonians? Maybe you're just interested in improving your public speaking skills... Grab your breakfast in the cafeteria and come join us each Thursday morning.

Thank you to all the students who joined the 7th Annual Suicide Prevention walk at Richland High School last night! If you want to help promote positivity within the school and be a mental health ally for your peers then attend the We R Delta club meeting today at lunch, in room 215.

Bible club will be meeting on Tuesdays after school in Ms. Landwehr's room from 3-4! Come join us, we would love to see you!

And now, Deltonians, for a little bit of fun and positivity this year, we will be recognizing a Delta Pit Boss each week. Does your teacher deserve to win the Pit Boss trophy for the week? If you would like to nominate a Delta staff member, you'll find nomination forms in the front office and next to the 3 B Boxes in each classroom. Stop by and write a note to thank a Deltonian for their hard work. You can nominate a teacher, lunch lady, or any Delta staff member, and we'll announce the winner each week during our Thursday announcements. Who will be our first Pit Boss at Delta? Fill out a form, turn it in at the front office and we'll find out!

And now our 3rd drawing happened this morning in Mrs. Guaman's office.

Congratulations to 4 students who have won our first 3Bs contest.

**Walk
it Out**

Spend 20 minutes today walking, jogging, or running after school.

Did you know that 20 minutes of physical activity is not only healthy for your body but for your brain, too? Research shows that it improves decision making, productivity, and quick thinking.

Hey Damien What did the biologist wear to impress his date?
